Online Camp Registration begins February 1, 2016

Welcome

to Raleigh Parks, Recreation and Cultural Resources

Summer Camps

We are so excited you are here!

How to choose the camp that is best for your camper:

Step 1: Choose the proper age category.

Preschool – Typically for ages 3-5

Youth – Typically for ages 6-12

Teen – Typically for ages 12-17

Step 2: Choose the type of camp.

Traditional Summer Camps – provide campers with an experience incorporating a wide variety of activities that may include games, songs, and arts/crafts.

Specialty Summer Camps – provide campers with activities centered around a particular theme or focus.

Specialized Recreation Summer Camps – are specifically designed for individuals with developmental disabilities.

Please see Summer Camp Locations and Map on pages 38 and 39.

Step 3: Read the camp description for your top choices.

Be sure to look for activities your camper will enjoy.

Ask yourself:

- ☐ Does the camp require special skills?
- ☐ Is the camp mostly indoors or outdoors?
- ☐ Does the camp require a lot of physical activity or walking?
- ☐ Does the camp include field trips or swimming?

Please call the camp contact or use the Summer Camp Locations list for specific information regarding the camp.

Step 4: Visit the camp location to ensure that you and your camper are comfortable.

Traditional

Summer X-Press Camp

Age: 6-11yrs. The Summer X-Press Program provides a high-quality summer camp experience at a reasonable cost. This program takes place in a stimulating and exciting atmosphere with organized activities, including arts and crafts, recreational sports and games, field trips, specialty programs and much more. The program is staffed by caring and experienced counselors who attend more than 20 hours of training on working with school-aged participants. Participants should be prepared to have tons of fun with plenty of laughs, smiles and excitement. Program hours are 9:00am-4:30pm. Early drop off is available at 7:30am, and all campers must be picked up by 6:00pm. Participants will be involved in indoor and outdoor activities throughout the day. Participants who are 12 years old between June 1 and August 31, 2016, have the option of selecting the Summer X-Press program or the Teen X-Treme program. Participants should bring a lunch and two snacks each day. Camp fees will be prorated the week of July 5-July 8 to \$22 for \$26-a-week sites and \$45 for \$56 a-week-sites.

Sewing Camp for Beginners

Age: 10-14yrs. Does your child have an interest in the fashion world and need a creative outlet? This camp is designed for beginners and children who want to learn the basics of sewing. During this camp, the children will learn how clothes are made, get comfortable using a sewing machine, make a hand-sewn item, learn how to sketch a fashion design and put together a portfolio to take home. Children will leave with skills and ideas for creating their own outfit; however, they will not actually create a garment during this week of camp. A second week

of camp will be offered where children can further their sewing experience. All supplies and sewing machines will be provided during this camp. The camp day will run from 9:00am-5:00pm. Campers can be dropped off as early as 8:30am and must be picked up by 5:30pm. Participants should bring a lunch and two snacks each day.

Adventure Camp – Mountain Biking

Age: 12-15yrs. This action-packed camp offers one week of fun activities that build biking skills, character and a sense of team. Activities include daily mountain biking on local trails and an overnight camping trip. Trails for each session of camp vary according to weather and group experience. Camp activities take place outdoors 80-90% of the time. This is our most physically challenging camp, focusing on building the teamwork, communication and leadership skills necessary for the overnight trip at the end of the week. The goal of this camp is to teach mountain biking skills and expose participants to camping in an overnight

setting. Campers must supply their own mountain bike. Participants should bring a lunch and two snacks each day.

Age: 12-15yrs. This action-packed camp offers one week of fun daily activities that build paddling skills, character and a sense of team. Activities include kayaking, canoeing, paddle boarding and swimming. The camp focuses on building the teamwork, communication and leadership skills necessary for an overnight trip at the end of the week. This overnight trip gives students the opportunity to apply all the skills they have learned in a culminating experience. The goal of this camp is to teach basic to intermediate paddling skills and expose participants to camping in an overnight setting. Participants should bring a lunch and two snacks each day.

Art4Fun II – Art & Nature at Walnut Creek Wetland Center

Age: 11-16yrs. Frank Harmon, one of the architects who designed the center at Walnut Creek Wetland Park, believes you learn through drawing: 'When you draw, you really have to look at it,' he said. 'It's a way to discover and to remember.' (N&O, June 2013) In this camp, we will incorporate drawing, painting, papermaking, printmaking and more with lessons in preserving our plants, wildlife and fresh water supply. Daily activities will emphasize the natural synergy between nature and art, combining the richness of nature, the pleasure of art-making, fresh air and exploration. Participants should bring a lunch and two snacks each day. Camp fees will be prorated to \$120 the week of July 5-8.

Bricks 4 Kidz – Classic Arcade Adventures

Age: 11-14yrs. Step back in time and bring the world of classic arcade and video games to life by building classic icons with LEGO® bricks and Technic® elements. Not only will you build awesome models and working contraptions depicting your favorite arcade and video game heroes, such as Sonic the Hedgehog®, Mario®, Pac-Man®, Smash Brothers®, Space Invaders® and more, but you will also have the opportunity to play some of the original games on vintage Sega® and Nintendo® consoles. This is a unique opportunity to experience classic arcade and video games through LEGO® and see how the current video game craze started decades ago! At the end of the week, you not only travel back to the future but get to bring back your own custom mini figure as well as a Lego® surprise! This program is not affiliated, sponsored, or endorsed by

LEGO® Education or the LEGO® Group.

Bricks 4 Kidz – Comic Book Creator Camp

Age: 11-14yrs. Campers will explore the artistic form of comic book design as they learn to create their own custom electronic comic book. Participants will create their own characters, develop story lines and incorporate pictures of actual sets, all designed with LEGO® Bricks and Technic® elements! After creating various scenes, campers will snap pictures and upload them, utilizing a software program to create their very own, one-of-a-kind comic book. At the end of the week, not only do campers go home with a custom mini figure and a Lego® surprise but they will be mailed a digital copy of the comic books created by the entire class. This program is not affiliated, sponsored, or endorsed by LEGO® Education or the LEGO® Group.

Specialized Recreation

He loves Camp Friendly! I'm so grateful this is an option for us.

— Parent of 2015 Summer Camp participant

The following camps are specifically designed for individuals with developmental disabilities. **Once registered, families will receive additional forms to complete. These forms are required before the camper attends camp. A physician's signature is no longer required.** Each registered participant will receive a camp T-shirt; please note T-shirt size on your camp registration form.

Please note that if you register for a camp not listed in the Specialized Recreation section of the Summer Camps brochure, Inclusion Services offers reasonable and appropriate resources to participants with disabilities. Participants who register for camps other than those listed here and who indicate a disability on their registration form may be contacted by Inclusion

Services to determine if additional resources are necessary for participation. **Registration should be received at least two weeks prior to the start date of the camp.** Please contact Inclusion Services at 919-996-2147 for more information.

Where the option is available, any participant considering attendance at camp with a caregiver or personal assistant should contact the camp supervisor, or 919-996-2147 for more information two weeks prior to the camp start date. The City of Raleigh Parks, Recreation and Cultural Resources Department Personal Assistant Policy requires paperwork to be submitted from both the service provider and the parent/guardian of the participant for approval. Personal assistants must adhere to City of Raleigh guidelines and policies.

Specialized Recreation

Camp Friendly

Age: 6-15yrs. Campers participate in games, nature, music and movement, arts and crafts and field trips created for those with various developmental or physical disabilities. Camp Friendly is offered at two locations: Durant Nature Preserve and Carolina Pines Community Center. Hours of operation are 8:00am-5:00pm with a curriculum day of 9:00am-4:00pm. Supervised camper-choice activities will be provided for arrival and dismissal hours. All campers must be at least 6 years old by the start date of the camp week for which they are registering. The Day Session has a staff-to-participant ratio of 1:3; these campers are required to stay with their group and follow basic rules of safety and interaction.

Mini Sessions are available for campers needing occasional individual assistance; an additional counselor is available to the group for each Mini Session camper. Campers who need full-day, 1:1 support must provide a personal assistant and register for the Personal Assistant Session. All participants should bring a lunch and two snacks each day. Camp fees will be prorated to \$112 for the week of July 5-8. For more information about Camp Friendly, please call 919-996-2147.

Please note that financial assistance is not available for: specialty camps, organizations, adult teams, special events, trips, or rentals. For more information on eligibility or to request the financial assistance application, please call 919-996-4839 or email Fee.Assistance@raleighnc.gov.

2016 Camp Policies

Age Verification

The City of Raleigh Parks, Recreation, and Cultural Resources Department strives to provide age appropriate curriculum and programming for all recreation services delivered. To meet this goal, the age of the participant, as of the cut-off date for the program, is required at the time of registration to appropriately place the participant in our programs. The Parks, Recreation and Cultural Resources Department reserves the right to request that the parent/guardian provide a legal document (i.e. birth certificate) verifying the age of the participant, as of August 31 of the year that was denoted at the time of registration. If legal documentation is requested and not provided within 24 hours, the program supervisor may offer the parent/guardian a transfer to an age appropriate program if available or dismiss the participant from the program. The parent/guardian will be responsible for any difference in fee if a transfer occurs. No refund will be given if the participant is dismissed from the program.

Babysitting

Any babysitting arrangements with present or former staff of the Raleigh Parks, Recreation, and Cultural Resources Department are separate and independent from any Departmental program. These arrangements must be based on the independent responsibility and judgment of the parent/guardian. The City of Raleigh Parks, Recreation, and Cultural Resources Department shall not be responsible for any claims or liability in connection with such babysitting activities.

Behavior Management

We utilize and encourage the practice of praise and positive reinforcement as effective methods of behavior management. We believe that when participants receive positive and understanding interactions, they can develop good self-concept, problem-solving abilities, and self-discipline. Our programs will create an environment that encourages positive choices through understanding participant's basic needs and explaining program expectations. The City of Raleigh Parks and Recreation Department supports and practices the following Behavior Management practices:

- **Monitoring** – noticing program environment, daily check-in with participants, active participation with participants and proper staff placement.
- **Positive Reinforcement** – praising and acknowledging participants when a desired behavior choice is made.
- **Redirection** – stop the undesired behavior and redirect participant to make the positive choice.
- **Time Out** – provide an opportunity for discussion between staff and the participant by asking questions about the behavior.

When positive choices are not made by the participants, the following procedures will be followed:

1. Initially, participants will be given a quiet reprimand/verbal warning.
2. If behavior persists after verbal warning, a Behavior Action Plan will be implemented to identify specific behaviors and work with the participant and parent/guardian to develop appropriate behavior management solutions.
3. If behavior problems continue after implementation of the Behavior Action Plan, a first Behavior Incident Report will be presented to the parent/guardian.
4. Additional behavior problems will constitute a second Behavior Incident Report presented to the parent/guardian and a possible two (2) full-day suspension from the program may occur. (No refunds will be given for the days suspended). The parent/guardian may be requested to pick up the participant within an hour of the initial contact to the parent/guardian. If a parent/guardian does not pick up the participant within an hour, a late fee may be charged.
5. If a behavior problem persists, a third Behavior Incident Report will be presented and the participant may be asked to leave the program. A two (2) full day suspension will be issued to the participant while the behavior incident reports are being reviewed.
6. For severe offenses, such as but not limited to: fighting/hitting, theft, vandalism, bullying in program or through social media, possession of weapons or drugs, severe verbal threats, sexual misconduct, leaving the program/building without proper dismissal, or any other safety related behavior, the participant may be suspended or dismissed from the program immediately.
7. Participants will not be disciplined in camp for behavior that occurred outside of camp hours, even at parental request.
8. Participation in camp activities during program hours is required.

Confidentiality

Raleigh Parks, Recreation and Cultural Resources Department staff will not discuss confidential matters or personal information with anyone outside of the Department or with unauthorized individuals.

All participants are encouraged to respect the confidentiality of other participants by not disclosing personal information with social media such as Facebook, Twitter, etc. Departmental staff are not permitted to share personal information or pictures about any participants or staff with social media such as Facebook, Twitter, Instagram, Snap Chat, etc. or discuss any personal information about participants outside of the workplace.

Dress Code

Participants should wear cool, comfortable clothing and athletic shoes in order to participate in recreational or athletic activities each day. Due to active play, swimsuits should provide full coverage, such as one piece bathing suits or board shorts/shirts. If appropriate attire is not worn, therefore preventing participation, the parent/guardian may be asked to bring appropriate clothing or will be required to pick up the participant. Certain programs may have additional clothing requirements.

Unacceptable attire: sandals or flip-flops; shirts with spaghetti straps; clothing that displays drugs, alcohol, tobacco, sexual, or gang references; bikinis or speedo briefs; excessively loose pants or shirts; revealing clothing; jewelry; Crocs™. Certain camps may allow exceptions to this list.

Electronic Devices/Items From Home

No electronic devices are allowed (examples: cell phones, MP3 players, gaming devices, etc.) unless accommodations have been made for the participant through an Inclusion Plan. Staff reserves the right to confiscate electronic devices if issues arise.

Participants may have the opportunity to bring in items (toys, books, etc.) from home. If you choose to allow your participant to bring in items from home the City of Raleigh Parks, Recreation and Cultural Resources Department does not assume any responsibility for lost or broken items. Departmental staff reserves the right to confiscate any item that is not appropriate or may be used in an inappropriate manner while in our program. Items that are not appropriate include, but are not limited to:

- Any type of weapon (toy guns, knives, swords, including anything that can be used to approximate a weapon by the participant)
- Any item that can be used to harass or intimidate another participant.
- Any item that causes disruption to scheduled activities.

Confiscated items will be returned to the parent/guardian at the end of the day.

Field Trips

Raleigh Parks, Recreation, and Cultural Resources will transport participants offsite in vehicles provided by or contracted by the City of Raleigh. If a program participant arrives at the program after the scheduled departure for a field trip, it is the responsibility of the parent/guardian to either:

- Transport the participant to the field trip location and sign-in the participant with a City of Raleigh program staff member at the field trip site, or;

- Transport the participant to the program site once the program returns from the field trip location and sign-in.

Buses will leave the program location at the advertised scheduled time and will not be delayed to wait for participants to arrive to the program site.

Participants cannot be left at the program location without program staff present. Refunds will not be awarded if participant misses a field trip. The City of Raleigh Parks, Recreation, and Cultural Resources Department do not accept responsibility for a program participant until they are signed in with program staff.

If a parent/guardian needs to pick up a participant while on a field trip, it is the responsibility of the parent/guardian to pick up the participant at the field trip location. Confirmation of the early release is required prior to participant being released.

Food

Any food brought into any program to be served to all program participants must be store bought with labeled ingredient information. Due to allergy concerns, homemade food items will not be accepted into our programs.

Illness/Injury

Any participant should remain home from all programs if they have had any of the following in the past twenty-four (24) hours:

- Fever (100 degrees or higher without fever reducing medication), diarrhea, vomiting, sore throat, undiagnosed rash, chicken pox, pink eye, ring worm, head lice, or any other potentially contagious condition
- Physical injury that does not allow the participant to safely participate in program activities.

If a participant demonstrates any of the above while at the program, the parent/guardian will have one hour to pick up the participant from the program location.

If the participant becomes sick while at the program, he/she will be separated from the other participants while the parent/guardian is called to come and pick them up. After 24 hours, if the participant is symptom free or written documentation has been received from a doctor stating the participant is not contagious or can safely participate, they may return to the program. If you suspect that your participant has a contagious condition that may be spread to others, please notify your program director as soon as possible. Please do not bring the participant back to the program until the program director has been contacted.

The above criteria apply to all participants, as well as those with Inclusion Plans or other accommodations.

Inclusion Services

Inclusion Services supports participants with disabilities or medical conditions by offering reasonable and appropriate resources to those individuals who register for typical programs. Resources may include but are not limited to: gathering participant-specific information from parent/guardian/service provider; providing supportive materials; providing program or site-specific training; and/or providing additional staffing for the program. Participants who indicate a disability or medical condition AND request an accommodation will be contacted by Inclusion Services for follow-up. Additional forms may be requested for Inclusion Services to better understand the participant's support needs. Participants who indicate a disability or medical condition and do not request an accommodation will not be contacted by Inclusion Services. Participants requiring a more intensive level of support may consider having their own personal assistant attend the program. (Assistants,

volunteers, therapists, or other providers are required to complete a background check and information forms before attending the program — these may take up to 2 weeks to process). To ensure that adequate resources are in place for the participant, registration and accommodation request should be received at least two weeks prior to the start date of the program. Please contact Inclusion Services at 919-996-2147 for more information or to request an accommodation.

Late Pick-up

Participants that are picked up after the closing time of the program will be charged a late fee. The fee is as follows: Once the parent/guardian is up to ten minutes late a \$5 fee will be charged per family. An additional \$1 per family will be added for every minute past ten minutes late. Payment is due at the time of late pick-up. Continual late pickups may lead to dismissal from the program in relation to excessive late pick-up policy forms.

Camp Snack Game Plan

These days, it can be tough when deciding what snacks are the best and healthiest options to pack for camp. Here are a few tips to help you find tasty and healthy snacks your child can enjoy.

SNACK & DRINK SUGGESTIONS

Fruit and water are always the best snack choices for kids on the move. Try these popular options:

- > Orange & apple wedges
- > Fresh peaches, pears, watermelon or other seasonal fruit
- > Dried fruit, nuts and raisins
- > Bananas, grapes & strawberries
- > Fruit cups (packed in juice) or sugar-free applesauce
- > Water - no need for sugar-packed drinks

GRAB & GO - THE PRICE IS RIGHT!

Not only is grabbing fresh fruit and water fast and easy, it's cost effective too. Check out this price comparison for a week's worth of snacks (10 snacks).

Healthy Snack - Total = \$4

- > Fresh bananas/oranges/apples - \$3 to \$4 a bag
- > Water from the tap in a reusable bottle - FREE!

Typical Snack - Total = \$7

- > Mini bags of cookies (12 pack) - \$4
- > One box of drink pouches (10 packs in each) - \$3

2016 Camp Policies Please read carefully and sign Participant Information Form on pages 23-24.

Lost/Stolen Items

The City of Raleigh Parks, Recreation and Cultural Resources Department is not responsible for any personal items lost or stolen at our programs.

Movies

Movies may be shown to participants in Raleigh Parks, Recreation, and Cultural Resources Programs. Before movies are shown the title of the movie will be communicated to parent/guardians. All movies shown are rated G or PG.

Non-Discrimination

The City of Raleigh Parks, Recreation, and Cultural Resources Department does not discriminate on the basis of race, color, national origin, sex, religion, age, sexual orientation or disability in employment opportunities or the provision of services, programs or activities. A participant alleging discrimination on the basis of any of the aforementioned areas may file a complaint with the Director of the Raleigh Parks, Recreation, and Cultural Resources Department or the Office of Equal Opportunity, U.S. Department of the Interior, Washington, D.C. 20240.

Participant Release

The Security Key Tag Identification Process is in place to properly identify individuals that have the parent/legal guardian permission to sign-out a participant from any program. To receive a security tag all persons listed on the participant form must provide a valid photo ID. A parent/guardian will not be issued multiple key tags to be given to other individuals authorized to pick up the participant. All authorized persons must be prepared to show proper form of identification, such as a key tag and photo ID, each time a participant is released.

Before the program begins parents/guardian should inform staff of any changes to the pick-up list by contacting the Recreation Business Office at 919-996-4800.

Any person listed as a parent/guardian on the registration form may add or remove additional person(s) to the authorized pick up list. Parents/guardians should inform anyone picking up a participant without a key tag that they will be required to show proper photo identification.

Payment

If the required payment is not provided with the registration forms, the participant's registration will not be processed. We will attempt to notify you by telephone or email and you will have until the end of following business day to remit payment.

Personal Care

The City of Raleigh Parks, Recreation, and Cultural Resources Department does not provide personal care for program participants. Raleigh Parks, Recreation, and Cultural Resources staff does not assist in the toileting of any program participants or help with dressing participants. The Department requires that all program participants are independent for toileting and personal care in order to participate. Program Participants must be able to change their own clothing if soiled. Raleigh Parks, Recreation, and Cultural Resources staff is not permitted to change program participant's soiled clothing.

If a toileting accident does occur, a change of clothes must be brought to the program site or the participant must be picked up from the program site within one hour of the incident. If toileting accidents are frequent, participants may be dismissed from the program.

Photography/Video Waiver

Pictures or video clips may be taken by the Department of any program participant while involved in City of Raleigh Parks, Recreation, and Cultural Resources activities and may be used for marketing materials or staff training. Photos or video clips may be used in program activities. Participant's names will not be published when photo or video clips are used. Some program areas are permitted to have social media sites. These sites are controlled by Departmental staff.

Release, Indemnity, and Agreement Not To Sue

I understand that participating in the recreational program selected involves risk of injury. These risks include inclement weather, accidents while traveling, equipment problems or failures, contact with and actions of other participants, slips/trips/falls, and musculoskeletal injuries, among others. I choose for myself or for my participant to participate in the selected programs despite the risks. By signing the Participant Information Form, I acknowledge all risks of injury, illness, and/or death and affirm that I have assumed all responsibility of injury, illness, and/or death in any way connected with participation in the program. I also agree for myself and for any participant to follow all rules and procedures of the program and to follow the reasonable instructions of the teachers and supervisors of the program.

In return for the opportunity to participate in this program, I agree for myself and for my heirs, assigns, executors, and

administrators to release, waive, and discharge any legal rights I may have to seek payment or relief of any kind from the City, its employees or its agents for injury, illness, and/or death resulting from this program. If I am registering a participant for a program, I agree that I am a parent, legal guardian, or am otherwise responsible for the participant whose application I am submitting and that I release, waive, and discharge any legal rights that I may assert on behalf of the participant's participation in the program. I also agree not to sue the City, its employees, or its agents and agree to indemnify the City for all claims, damages, losses, or expenses, including attorney's fees, if a suit is filed concerning an injury, illness, or death to me or to my participant resulting from participation in the program.

Refunds

All refund/withdrawal/transfer/credit requests received in writing 14 days or more in advance of the start date of the program/rental/team placement are entitled to:

- 100% refund/credit/transfer if the department cancels program or facility rental
- 100% credit or transfer of fees to another program at the time of withdrawal
- 85% refund based on the total cost of program
- 85% credit/transfer/refund of rental eligible fees

Refund/credit/transfer/withdrawal request received less than 14 days prior to the start date of the program/rental/team placement will not be granted.

- Refunds for medical reasons requested prior to the start of program/rental/team placement will be granted at 100%; subject to verification.
- Outdoor facility usage cancelled due to inclement weather may be rescheduled pending space availability.
- A credit may be used by any family member on the same registration account.
- Non-attendance/non-participation in a program does not entitle a patron to a refund.

Sunscreen and Insect Repellent

If needed, parent/guardian should apply these products to participants before they come to the program each day. Please supply any sunscreen and/or insect repellent that the participant may need during any program. Staff will provide frequent opportunities for participants to reapply over the course of the day. Staff or siblings may assist participants in applying sunscreen only to exposed skin that the participant cannot reach on their own. Spray or mist type sunscreen and/or insect repellent are recommended. These products are not to be shared with other campers. Participants in Specialized Recreation camps may be assisted in applying sunscreen and/or insect repellent, as provided and directed by the parent/guardian.

Swimming Information (for applicable camps)

Raleigh Parks, Recreation and Cultural Resources staff will conduct swim tests for all program participants and issue lifejackets to non-swimmers. To swim without a lifejacket, a swimmer must be able to swim one length of the pool (approximately 25 yards or 75 feet) on their front and tread water for 30 seconds. All non-swimmers will be required to wear lifejackets. Parent/guardian can request that staff not allow the participant to participate in the swim test and automatically place the participant in a lifejacket. Staff reserves the right to place a participant in a life jacket in the interest of a participant's safety. All participants, regardless of swimming ability, will wear lifejackets when participating in water activities including swimming in lakes, rivers, or the ocean.

Waitlists Notification

If your participant clears the waitlist, you will be notified by telephone and/or email. You will have until the end of the following business day to accept and remit payment for the requested program. Your acceptance must be confirmed in writing. If notification is not received within the specified time frame you will forfeit your participant's placement

Withdrawal and Transfers

All withdrawals and transfers must be received in writing 14 days or more in advance of the start date of the program. Non-attendance or non-participation in a program does not entitle a patron to a credit of the registration fee.

Financial Assistance Scholarship Fund

The City of Raleigh Parks, Recreation and Cultural Resources Department established the Financial Assistance Scholarship Fund in 1993 to ensure that no one is denied the benefits of public recreation due to the inability to pay. The scholarship fund helps reduce barriers to participation in recreation programs that encourage healthy lifestyles, promote self-confidence and teach life-long lessons. Scholarships are awarded based on financial need and are offered to support all who wish to participate in our programs. To make a tax-deductible donation, please mail a completed form to:
